Acting Administrator,

Complainant,

Docket SE-12716

v.

THEODORE ROBBINS,

Respondent.

ORDER DISMISSING APPEAL

On February 11, 1993, respondent filed a notice of appeal from the oral initial decision Administrative Law Judge Jimmy N. Coffman rendered in the proceeding held on February 2, 1993.¹ However, the respondent has failed to file an appeal brief and,

¹The law judge affirmed an order of the Administrator suspending the respondent's airline transport pilot certificate and flight instructor certificate (No. 001223971) for his alleged violation of section 61.195(e) of the Federal Aviation Regulations. The law judge modified the order to provide for a 30, rather than a 90-day suspension. The Administrator did not appeal the reduction in sanction.

therefore, his appeal is subject to dismissal under section 821.48(a) of the Board's Rules of Practice.² 49 C.F.R. 821.

ACCORDINGLY, IT IS ORDERED THAT:

The respondent's appeal is dismissed.

VOGT, Chairman, COUGHLIN, Vice Chairman, LAUBER, HART, and HAMMERSCHMIDT, Members of the Board, concurred in the above order.

²Section 821.48(a) provides as follows:

"§ 821.48 Briefs and oral argument.

(a) Appeal briefs. Each appeal must be perfected within 50 days after an oral initial decision has been rendered, or 30 days after service of a written initial decision, by filing with the Board and serving on the other party a brief in support of the appeal. Appeals may be dismissed by the Board on its own initiative or on motion of the other party, in cases where a party who has filed a notice of appeal fails to perfect his appeal by filing a timely brief."
